

WARRANTY POLICY

Our Company warrants its products to be free of defects in material and workmanship for a period of 1 year from the date of purchase under normal use and service providing the equipment is purchased for individual and not commercial use.

Our Company will replace any defective part but does not allow any labor cost. Defective parts will be sent prepaid. Retain defective parts in case they are needed for inspection by manufacturer. No warranty is made for items made by others since such items are warranted by respective manufacturers. No liability is assumed for expenses or damages resulting from the malfunction or interruption in operation of the equipment. This warranty does not apply to any equipment which has been damaged in any accident, or by fire, flood, act of God or has been subjected to abuse, misuse, negligence, alterations, and/or tampering.

Purchaser's exclusive remedy for breach of warranty, other defect, or conduct giving rise to liability shall be the repair or replacement of the product sold, and the manufacturer under no circumstances shall be liable for economic loss or incidental consequential damages. Effective upon the expiration of this limited warranty (one year from the date of purchase), the manufacturer disclaims all implied warranties, including the warranty of merchantability and fitness.

Our Company reserves the right to make improvements and changes in specifications without notice or obligation to modify previously sold units.
